Internship Review

Internship Title: ___________________________________________
Company/Organization of Internship: __________________________
Semester/Year of Internship: _________________________________

1. How did you learn about (find) your internship?

2. Do you feel the training you received **AND** the skills you developed during your internship will help you in your future employment? Marketing you for another job offer? Applying to graduate school? Explain.

3. How busy were you on your internship—were you often bored, frequently overwhelmed, or did you feel your workload was a good balance?

4. What proportion of your internship was administrative work? _____% Was this more or less than the amount conveyed to you when you were offered the internship?

5. Did your internship help you expand your network?
6. What could the company/organization have done to improve your experience?

7. If you were compensated for the internship, how much was your hourly wage? ___/hour
   OR, how much was your stipend? Do you feel the compensation was fair for the work you
   did?

8. Did you receive (or do you anticipate that you will receive) an offer of another internship, part
   time job, or full time work at your company/organization?

9. Have you been offered references or recommendations from your superiors? Do you expect to
   be?

10. Would you recommend this internship to another student for reasons beyond what you have
    stated previously? Please explain.
